SRG Teacher Communication and Resources
Distant Learning Daily Guide

Google Classroom: Organize your Google Classroom “Topics” by Weeks or Content to share announcements, materials and assignments. **Click [here](#) to view for help with this.** Use the Google Classroom platform to make daily or weekly announcements regarding the assignments to help with students’ time management. **Click [here](#) for a quick screencast on how to do this.** **Click [here](#) to view for quick tips on using Google Classroom.**

Google Drive - You will use Google Drive to create your Google Docs to share with your teacher. Your Google Drive will also have your personal Google Classroom Folder with activities/assignments that you clicked on in Google Classroom

Daily PE log: Students have a daily PE log they will share with you through Google Docs. You can ask them to upload through Google Classroom or share directly with you through Google Drive.

ALEKS

As the ALEKS software is self-regulated for students, please run reports on a weekly basis.
*As a suggestion, you can either encourage a topic a day or a minimum 30 minutes daily usage. Please communicate **weekly** progress with families.*

[Study Sync for ELA](#)

Click here to view the daily assignments, where to find them in StudySync and How to Assign them to the students in your class. The assignment deadlines are automated for 7 days after you create them or you can change the date. Also, please make sure to toggle on the **“late submission allowed”**. Under each daily ELA assignment description, **optional suggestions** are written in to set up the assignments with these added elements.
As a suggestion, please check your StudySync Assignment dashboard to monitor students’ weekly progress. You can encourage students to keep working daily/weekly on their assignments.

Progress Monitoring You can monitor your class/student work by Going to StudySync and select “Assignments” from top header. You will see the assignments you have assigned to students. You can click on the name of the assignment to preview which students have accessed, completed and not completed. **You can encourage daily/weekly participation during your weekly check ins with the students.**
