

**Oro Grande Elementary School**  
**School Accountability Report Card**  
**Reported Using Data from the 2019-2020 School Year**  
**Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	4	4	4	4
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

## Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 1/2020

Oro Grande Elementary School District held a Public Hearing on January and determined that each school within the district has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education. Oro Grande Elementary School District follows the State Board of Education's six-year adoption cycle for core content materials. District textbook review and adoptions occur the year following the state's adoption.

Each classroom at Oro Grande Elementary School contains an average of 10 computers for student use (computer lab and computer cart per grade level). Computer resources within the classrooms are connected to the Internet. Computer skills and concepts are integrated throughout the standard curriculum to prepare students for technological growth and opportunities. Students receive computer-assisted instruction in the computer lab as a part of the regular school day..

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	McGraw Hill (Grades TK-6) Adopted in 2016	Yes	0%
Mathematics	McGraw Hill, My Math (Common Core) Adopted 2012	Yes	0%

Visual and Performing Arts	N/A		
Science Laboratory Equipment (grades 9-12)	N/A		

Note: Cells with N/A values do not require data.

## School Facility Conditions and Planned Improvements

Oro Grande Elementary School provides a safe, clean environment for students, staff, and volunteers. School facilities were built in 1947 with two other wings added in 1952, 1957 and modernized in 1992. A Multi-Purpose Building was built in 1996. Facilities are situated on 10 acres and encompass 24,850 square feet. They include eight permanent classrooms, 35 portable classrooms, a multi-purpose room/gymnasium, piano lab, two playgrounds, staff rooms, and administrative offices, including EL and Speech. The facility strongly supports teaching and learning through its ample classroom and playground space.

### Maintenance and Repair

Safety concerns are the number one priority of Maintenance and Operations. District maintenance staff are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

### Cleaning Process and Schedule

A custodial staff ensures that all classrooms and facilities are in good working order. Classrooms are serviced each evening. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

## School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month of the most recent FIT report:** 10/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems: Gas Leaks, Mechanical/HVAC, Sewer</b>	Good	All systems in good condition.
<b>Interior: Interior Surfaces</b>	Good	All interior surfaces are cleaned and painted as needed.
<b>Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation</b>	Good	Regular pest control is employed to eradicate possible infestations. Classrooms and campus are maintained daily.
<b>Electrical: Electrical</b>	Good	Electrical issues related to older buildings are taken care of as they arise.

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Restrooms/Fountains: Restrooms, Sinks/ Fountains</b>	Good	Restrooms in the original building needed repair and replacement of fixtures.
<b>Safety: Fire Safety, Hazardous Materials</b>	Good	Safety is a major focus on this campus.
<b>Structural: Structural Damage, Roofs</b>	Good	Buildings are sound.
<b>External: Playground/School Grounds, Windows/ Doors/Gates/Fences</b>	Good	Playgrounds have been updated and expanded. Some modernization needed in older buildings.
<b>Overall Rating</b>	Good	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

<b>Mathematics (grades 3-8 and 11)</b>	16	N/A	12	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2019-2020)**

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

Oro Grande Elementary greatly benefits from its supportive parents who volunteer in a variety of capacities. The PAC (Parent Advisory Council) LCAP Community Meetings, and ELAC (English Learner Advisory Committee) is purposed to provide a voice for parents, fund-raising for school activities, and an organization to plan and carry out programs, and train volunteers. All parents and community members are encouraged to participate in our Local Control Accountability Plan to ensure that program and resources are being used to best educate the students of Oro Grande Elementary School.

Parents are also welcome to join the District English Language Advisory Committee and Superintendent's LCAP Committee to discuss academic needs for their students. The school sponsors reading programs that encourage students to read both for fun and for learning. Throughout the year programs are implemented to encourage volunteerism. Jumprope for Heart, Cancer Week, canned food drives, and other activities encourage students to participate in their community.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	4.1	0.9	2.8	1.9	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1/8	1.8	2.5
Expulsions	0	0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

Parents and visitors are welcomed and required to check in at the school office upon arrival and obtain a visitor's badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, proctors, teachers, and administrators supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. The school evaluates the safety plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and district staff in the fall at the start of each school year. The School Site Council along with a school safety committee reviews the plan annually and the board of trustees approves the plan on or before March 1. The latest revisions to the Safe School Plan was the 2019-2020 school year.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district offers extensive staff development prior to the opening of a new school year. All staff K-12 participate in six rounds of professional development focusing on mastery of common core standards, quality teaching practices, assessment and grading, data analysis of student progress, and vertical grade level planning. In addition, staff members are offered professional growth opportunities in curriculum, instructional strategies, and methodologies regularly throughout the year. For additional support in their profession, new teachers enlist the services of the California Teachers Induction (CTI) and Riverside Preparatory's new teacher orientation . Additionally, state-mandated training for health and safety issues are included in regular training throughout the year.
